Would anyone like to contribute to getting this paid? This is the software that manages our elections and the total due by 12/21/19 is \$59.95. If so, please let me know by sending me a private email to advise the amount you are sending. Once we have the amount of funds needed, I will advise so no one posts more funds unless you would like them held for further amounts that might come due in the future. You can send funds to my USGW paypal account at:

ncusg...@gmail.com

Thanks for your kind assistance.
